TERMS AND CONDITIONS
<p>I understand that all existing water service connections, whether they are active or inactive, will be billed a minimum charge per quarter for access to the Village Waterworks system.</p> <p>I agree, as the deedholder, to pay the quarterly bill (monthly for business accounts). Failure to receive a bill does not excuse timely payment of the amount due or of any penalties which may accrue as a result of delinquent payment. I understand that the Waterworks office will file a notice of lien for unpaid delinquent charges more than sixty (60) days old.</p> <p>I understand that if I elect to receive bill statements by email that I am responsible for maintaining the email address(es) associated with my account.</p> <p>A water meter (up to 3/4") shall be furnished and set by the Village at its own expense and shall remain under property of the Village and must always be accessible to the Village for maintenance. The Village may shut off the water supply for any default or for any violation of these terms. Termination of water service shall not release me from my obligation to pay the total balance due.</p> <p>I understand that the \$50 service deposit which I am supplying will remain with the account to be used towards the final billing statement. I understand that I am responsible for alerting the water office of any sale of the property and that the water account will remain in my name until such time that a legal document transfers the deed to another name.</p> <p>Signature: _____ Date: _____</p> <p>\$50 Service Deposit: <input type="checkbox"/> Cash <input type="checkbox"/> Check # _____ Received on: _____</p>
